WELDING EXPO 2019

Wednesday, September 25th & Thursday, September 26th
8:00 AM to 5:00 PM

TRAINING SEMINAR SCHEDULE

Wednesday, September 25th

- 8:30 AM - Welding Technology Seminar
- 11:00 AM - Fume Management Seminar
- 1:30 PM - Plasma Seminar

Thursday, September 26th

- 8:30 AM - Plasma Seminar
- 11:00 AM - Fume Management Seminar
- 1:30 PM - Welding Technology Seminar

WELDING TECHNOLOGY SEMINAR – Justin Heistand & Joe Ruble (Miller Electric) will demonstrate the features & benefits of the new Multimatic 255 and Multimatic 220 AC/DC. In addition, they will be presenting Miller’s ArcReach technology by demonstrating the Big Blue 400 PipePro along with the ArcReach Suitcase Feeders. The ArcReach Smart Feeder will also be featured which showcases Miller’s Synergic RMD (Regulated Metal Deposition) and Pulsed MIG Welding.

FUME MANAGEMENT & PROTECTION SEMINAR – Kevin Quinn (Miller Electric) will be discussing the OSHA pyramid for fume management and explain the “why” behind each step. He will also cover the wide variety of available fume systems and how to utilize them for each application. Fume Extractors, Supplied Air Systems, PPE (Personal Protection Equipment), and training systems will be used to demonstrate some of the available options.

PLASMA SEMINAR – Max Williams (Hypertherm) and Scott Wirtanen (Swift-Cut) will be working together to present the latest technology in plasma tables. We will have a Swift-Cut table on site equipped with a Hypertherm plasma system for demonstrations throughout the day. Max will also be discussing the benefits of Hypertherm specialty consumables such as FlushCut, HyAccess, and Gouging.

ALL SEMINARS ARE FREE TO ATTEND

*** Please Make Sure to RSVP as Classroom Sizes are Limited ***

- Welders
- Plasma Cutters
- Orbital TIG
- Oxy/Fuel Equipment
- Automation
- Tube & Pipe Benders
- Iron Workers
- Grinding & Polishing
- Auto Darkening Helmets
- Weld Cleaning Systems
- Safety Apparel
- Safety Supplies
- Welding Wires
- Magnetic Drills
- Band Saws
- Notchers
- Bevelers
- Fume Extraction
